

Before your screening appointment, log into your patient portal and fill out draft forms shared by the Office.

## Portal Account Invites

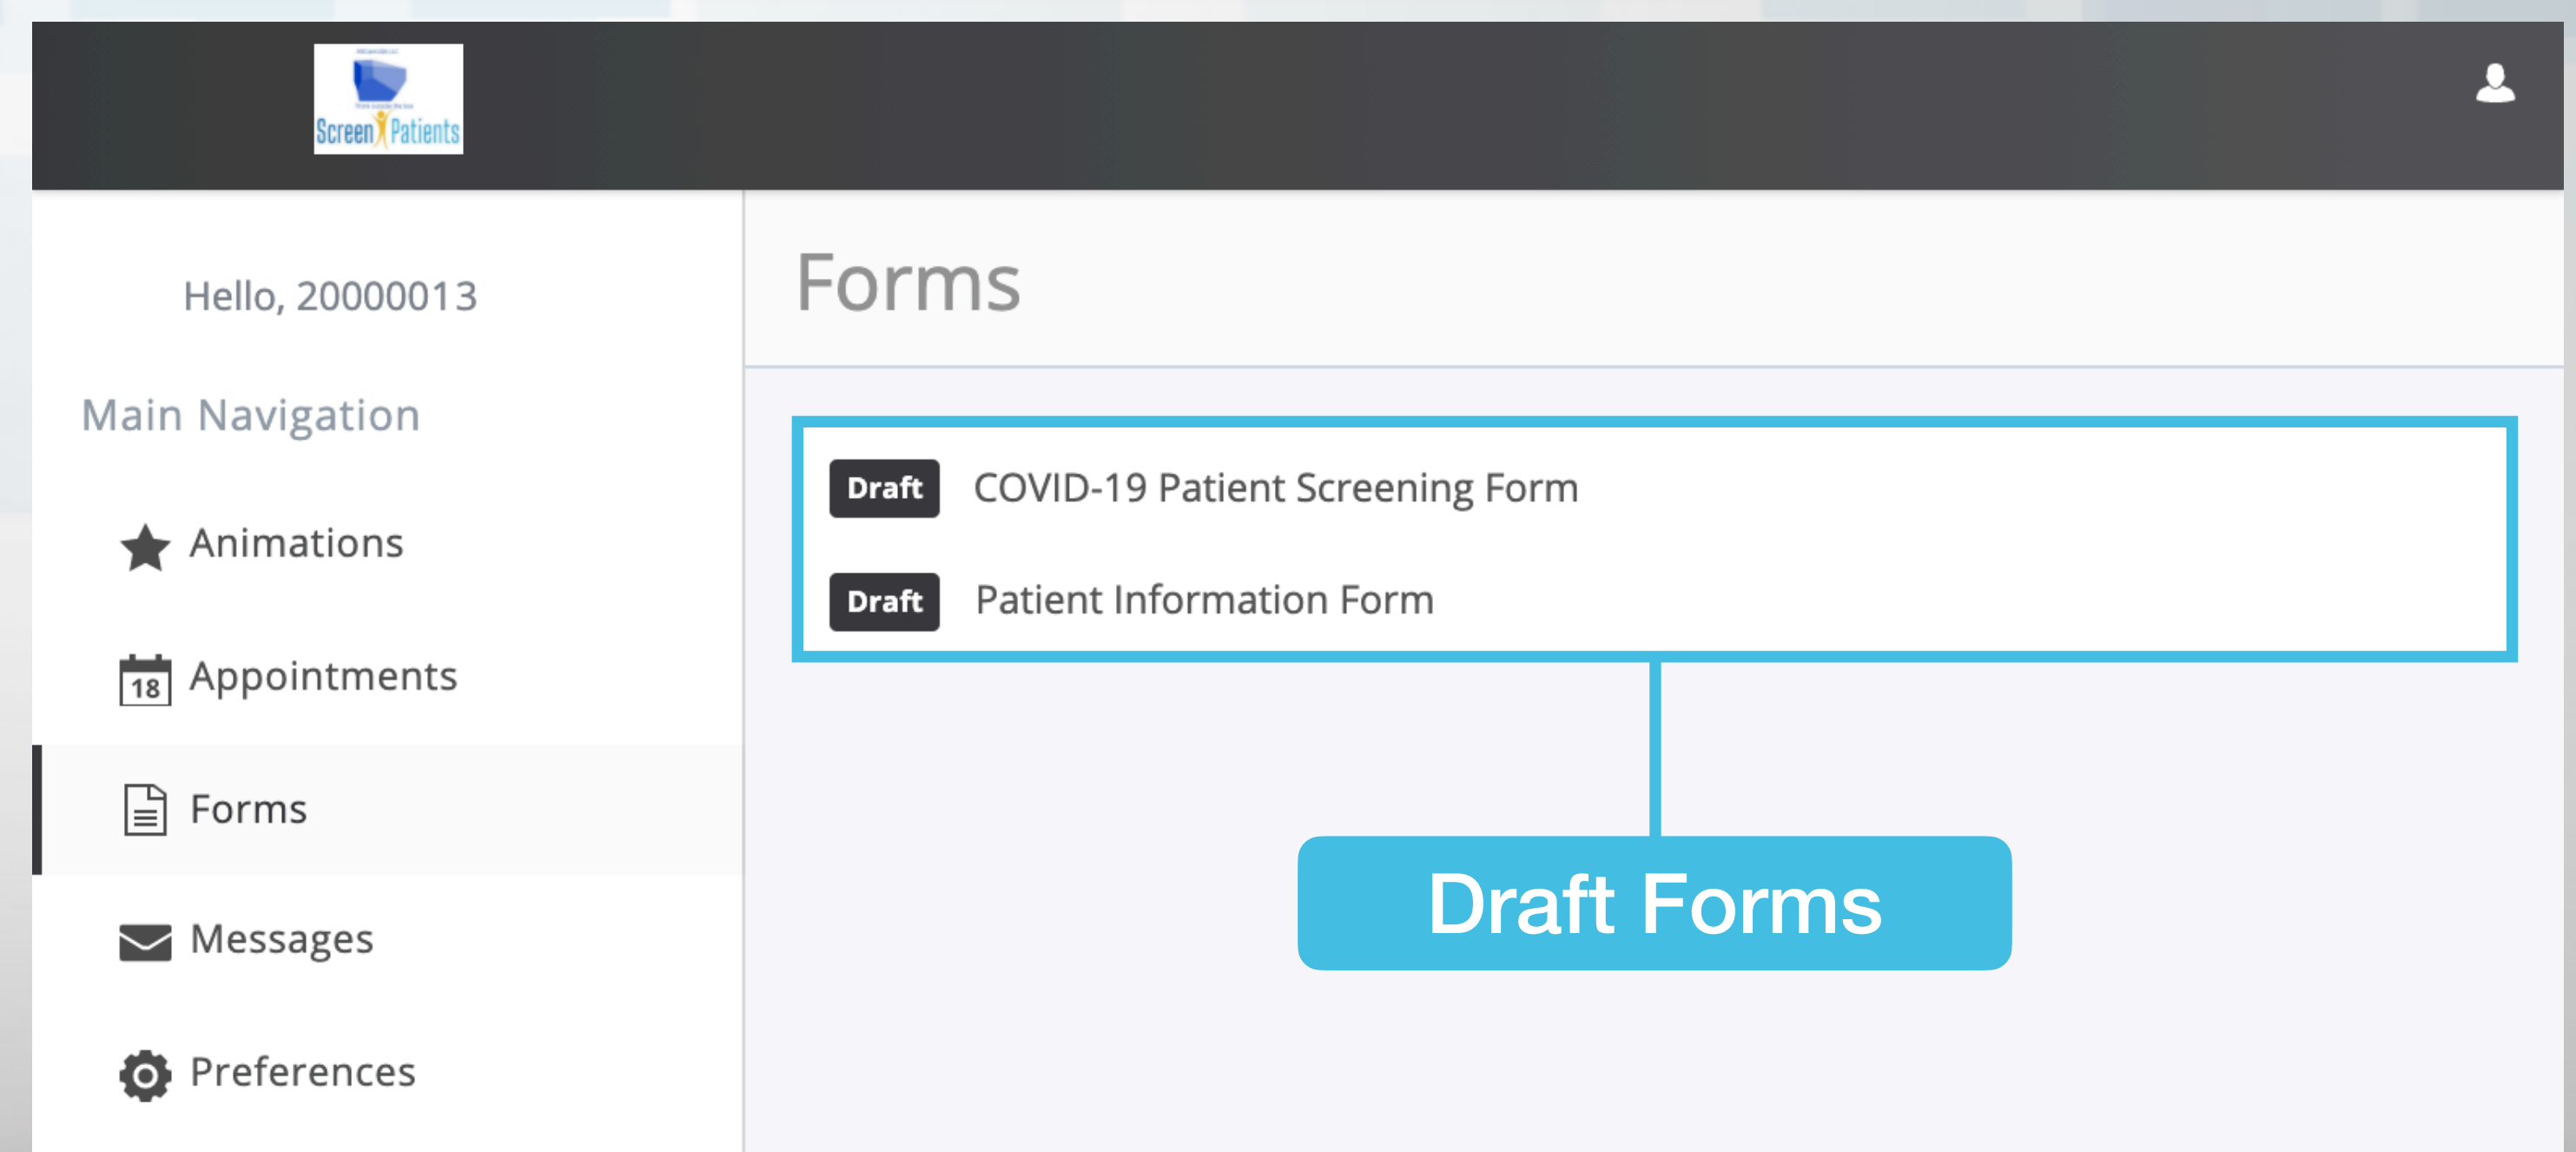

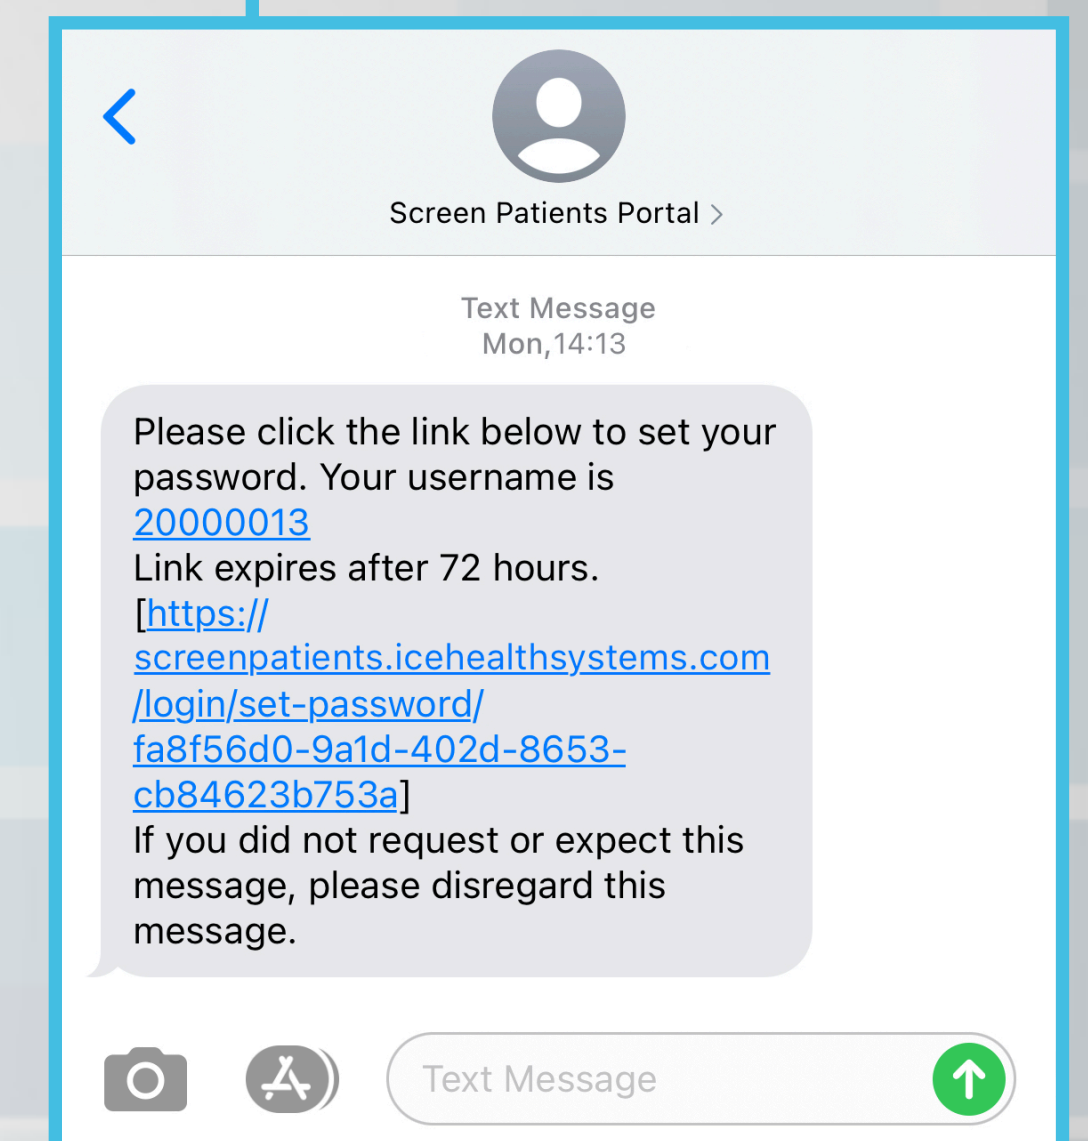

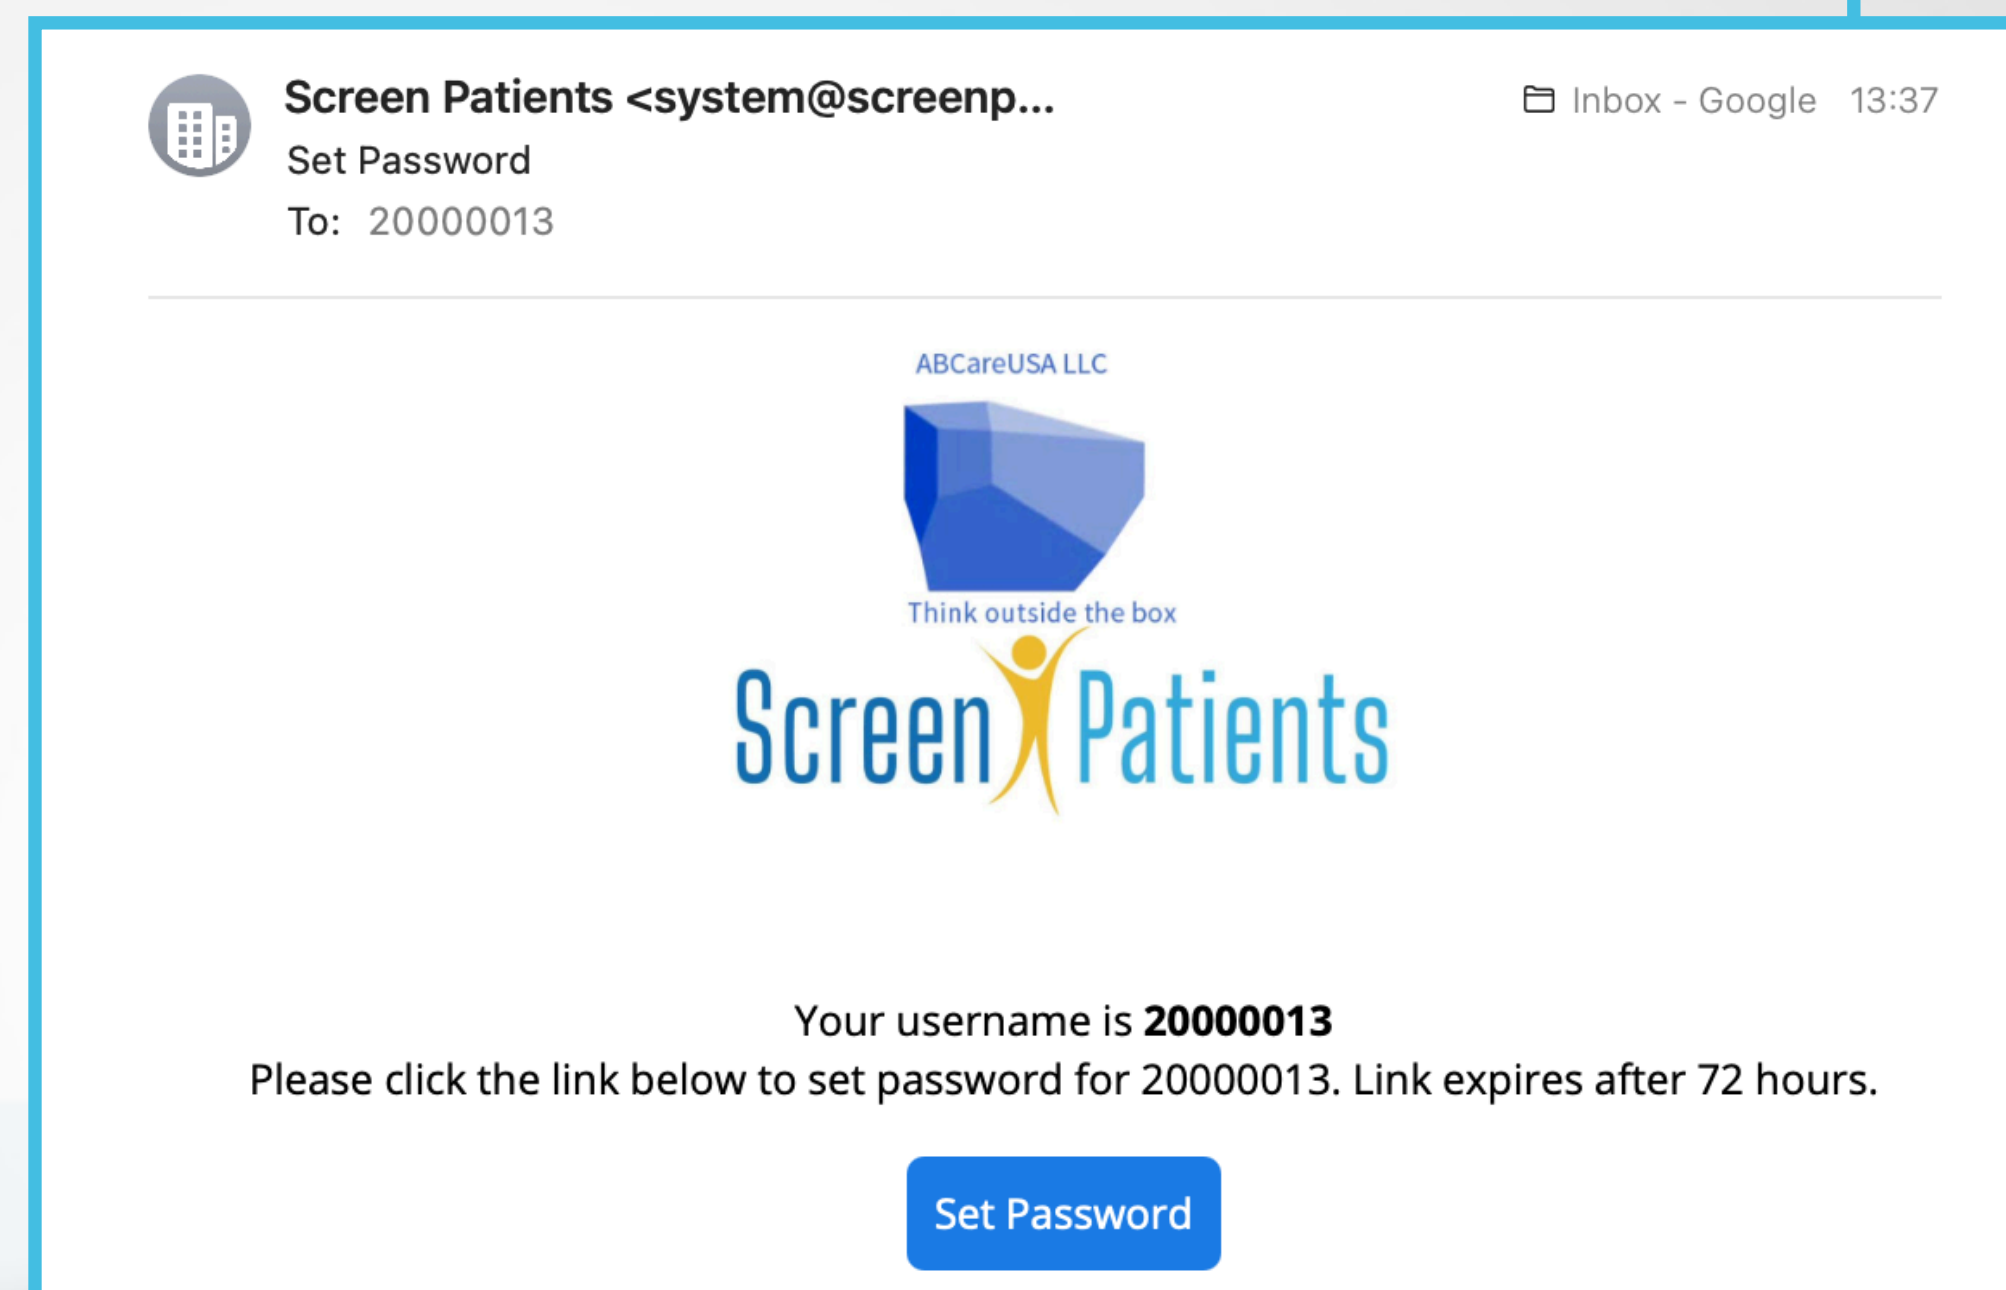

✓ **Portal Account** For your first screening, create your patient portal account from the invite the Office sent.

✓ **Log In** Log into your patient portal at [screenpatients.com](https://screenpatients.com)

✓ **Draft** **Screening Form:** Fill out the draft copy in your patient portal.

✓ **Draft** **Patient Information Form:** Fill out the draft copy in your patient portal.

**Note:** If you filled out a Patient Information Form before, the Office might not ask you to fill out a new copy.
